PRINCIPAL'S REPORT:

Dear Parents,

Our swimming scheme is well under way, and it is lovely to see the children having such a great time refining their skills and or learning new ones. A huge thank you to Mr Tucker for organising the scheme for us this year.

This Thursday sees the end of the scheme. However, children who turn 8 years or older in 2023 will have the opportunity to demonstrate their swimming ability and skills to see if they meet the cut off times for entry into the small schools swimming carnival to be held early in Term 1 of 2023. These will be informally timed laps, and students who demonstrate correct technique in their age group will be selected to compete. We will notify families of who will be selected in 2023 when we have more details about the carnival.

A massive thank you to our P&C for organising last weeks Colour Explosion Fun Run. The event was a massive success. Once we have the confirmed amount for the fundraiser we will let you all know. I do know the amount runs into the thousands though, so thank you to everyone for their help. Well done to the students as well for raising the money, we hope you enjoy your prizes as they are well earned.

Upcoming events:

Friday 2nd December - Year 5 students will give their leadership speeches. We would like to wish them all the best of luck.

Wednesday 7th December -End of year whole school presentation assembly. The presentation starts at **10:00am sharp**. Children are asked to wear their sports uniform for the day. We hope to see you there.

Friday 9th December -Year 6 Graduation Presentation 10 AM

Wednesday 14th December – Year 6 Farewell Dinner, notes will go home this week.

Thursday 15th December –Rewards Day

Friday 16th December – Last Day for students

Have great week.
