NO HAT NO PLAY

No hat will be given to any student who forgets their hat. They will play under the cola.

IMPORTANT REQUEST

Please **DO NOT** bring peanuts or use peanut butter at school.

PRINCIPAL'S REPORT:

Dear Parents,

District Cross Country

It was wonderful to be able to accompany the District Cross Country runners to Willandra last week. They represented our school with pride and gave it their very best against a tough field. Well done to all who competed.

Excursions

Last week, Ms Nelson accompanied two classes to a science, technology, engineering and maths day at Culburra Public and Shoalhaven High. The day was sponsored by Lego and the children had an amazing time. Thank you Ms Nelson for organising such a wonderful excursion.

In addition to this excursion, Mr Tucker also accompanied Year 6 students to the 'Discovery Day' at Shoalhaven High. From all accounts the students had a wonderful day and the staff at Shoalhaven High constantly complimented Mr Tucker on the behaviour of the students at our school, and their willingness to participate in activities. Well done Year 6 for being wonderful ambassadors for our school.

Assembly

This Friday sees our first whole school assembly for the term. The assembly will commence at 2:30pm and our choir will be performing. Please join us if you are able.

Early Arrivals

Just a friendly reminder that supervision for students does not commence until 8:40 am. Students arriving early are to wait under the cola.

Social Media Use

Are you aware of what your child is visiting when online? If you have concerns about your child's usage and are looking for ways to protect and support your child you can visit [Parents | eSafety Commissioner](#) for some valuable insights and information.

Changes to our Newsletter Distribution.

Commencing Term 3, the schools newsletter will now only be distributed on a fortnightly basis. This comes after much feedback received from parents regarding their engagement with the newsletter. The school will still continue to send home notes regarding excursions and events, will continue to use See Saw and Facebook as a platform for communication and we will also be uploading notes, newsletters, etc to the schools website.

Illness/Sickness

Over the last few weeks we have sent home a large percentage of students who are presenting to school with headaches, sore throats, coughs, sneezes, feeling lethargic, temperatures and nausea. We have several staff recovering from these illnesses also. If your child has any of these symptoms we urge you to please keep

your child at home.
 COVID is still moving throughout our school community and we are doing our best to stop the spread. Please work with us on this matter.

Have a great week
 Catherine Secombe

Shoalhaven High School KLA Discovery Day

On Monday, our Year 6 students who are attending Shoalhaven High School next year, had the opportunity to attend the KLA Discovery Day. Students had a full school day at Shoalhaven High School where they moved to different classes to prepare them for their high school journey. Our Year 6 students participated in science experiments, created poems and learned new maths concepts. They also got to meet some of their new classmates and teachers for 2023. It was great to receive some positive feedback from Shoalhaven High school staff stating how well behaved and polite our year 6 students were on the day. I would like to say a big thankyou to Demi Bagnall from Shoalhaven High school for organising the day and giving our students a great opportunity.
 Mr Tucker

BOAT AWARDS

Congratulations

- K/1 Cody & Douglas
- 1/2 Isaac B & Reuben
- 2/3 Noah & Harlow
- 3/4/5 Jordan & Bella
