## PRINCIPAL'S REPORT:

Dear Parents

### Welcome to Science Week!

Today the children celebrated by participating in a range of activities led by our Year 5/6 students. The images below give you an indication of some of the activities we participated in. From all accounts, everyone had a great time and learned a lot through the activities. Thank you to Year 5/6 and Mr Tucker for making it all happen.

### District Athletics

Last week Mr Tucker accompanied a group of students to the District Athletics. Thank you to all the students that attended and to the parents for taking the time to accompany them. Our students gave it their absolute best but unfortunately, we do not have anyone going onto the regional carnival.

### P&C Meeting

Tonight, we will hold our P&C meeting for the term. All are welcome and the meeting will commence at 6 pm sharp. Please come along and join us. The meeting will be held in the school library.

### Toys and Smart Watches

We have noticed an increase in the number of students bringing toys and wearing smart watches to school.

Please keep toys at home as they often cause unnecessary conflict between students.

Smart watches are proving to be an issue with students messaging each other, receiving outside messages, and or playing music during learning times. These are also causing some social issues on the playground.

If a child must wear a watch, please ensure it is not a smart watch.

Thank you for your understanding in this matter.

### Book Week Character Parade, Book Fair and Assembly

In week 7 of this term, we will host our annual book fair. Books will be on display for 1-2 days before going on sale.

We have coincided this with our annual book character parade and assembly.

Please see the flyer that will be coming home, outlining the time and dates for the week.

Have a great week,

Catherine Secombe

## KINDERGARTEN ENROLMENT 2023

The school is now taking names for Kindergarten 2023, if your child is starting kindergarten next year could you please notify the office, also let your friends know if they have kindergarten aged children.

## CANBERRA 2022 EXCURSION

There are still some 5/6 students who have NOT returned their notes for Canberra. Also a reminder that it is possible to pay the excursion off each week.

## DISTRICT ATHLETICS CARNIVAL

Last week, students who qualified competed in the District Athletics Carnival. The carnival took place at Myimbarr Community Park in Shellharbour. Students competed against other schools in our local district area. Many students competed in multiple events throughout the day. It was fantastic to see students try their hardest to achieve their personal best and feel a sense of achievement. I would like to thank our parents and carers, who arranged travel and were there on the day to support our students. We are looking forward to next year!

Yours in sport,  
Mr Tucker
