No hat will be given to any student who forgets their hat. They will play under the cola.

IMPORTANT REQUEST

Please **DO NOT** bring peanuts or use peanut butter at school.

PRINCIPAL'S REPORT:

Dear Parents,

Thank you to all the parents, grandparents and family members that attended our Book Week celebrations. Thanks to your generosity we were able to purchase over \$900.00 worth of books for the library.

It was wonderful to hear so many children got into the spirit of the day by dressing up. As well as this it was wonderful to publicly celebrate both Mrs Baker and Mrs Millers 20 years of service with the Department of Education. They are a true asset to our school.

Gymnastics

The students have wrapped up a 4 week program of gymnastics and circus skills. Students have thoroughly enjoyed the different ways they can use and control their bodies. You may even see some of these skills in action at our next school assembly.

Coming Up

Don't forget this week we have an SRC disco where the students are asked to bring in a gold coin donation, sausage sizzle and next week we have the Choral Music Festival and our P&C meeting. Please note the new times of the meeting.

Asbestos Removal and Major Building Works

On the weekend of the 16th and 17th of September, asbestos removal works will be taking place inside the school grounds. Please note that the school grounds will be closed to all visitors during this time.

Following the removal of asbestos, major building works will be taking place during the school holidays.

School Crossings

Over the course of the last few weeks we have noticed an increased number of parents and students choosing not to cross the road at the designated crossing points.

Whilst it may be quicker and convenient, we are endeavouring to teach our student good life-long habits. By not crossing at these points we are also making it difficult for motorists.

We urge you to always use the crossing, encourage you to outline the dangers for your children and instil in them, that these are the safest places to cross. Please do this for both the children and for motorists who have a clearer view of pedestrians at the crossing points.

Have a great week.

Catherine Secombe
Principal

BOAT AWARDS

Congratulations

K/1: Evie, April, Willow & Wylie

1/2: Lila, Jett, Jaxson & Doug
